

## Ranking Rules

### Ranking Rules

1. It is a 'high points' ranking system as used by the world yachting body, as well as Singapore sailing.
2. The first place in a regatta gets points equal to the number of competitors down to the last place getter who gets 1 point.
3. The first placed silver fleet sailor is placed immediately behind the last placed gold fleet sailor.
4. A sailor who starts at least one race gets points. Someone who registers but does not start a single race is not counted.
5. A person who misses an event because they are away at a more senior Optimist event, such as interstate or overseas, gets notional points.
6. It is a rolling ranking system with the highest points in 4 of the last 5 regattas to count.
7. The regattas to count are:
  - WA Youth Championships
  - FSC Indian Ocean Classic
  - RPYC Mini Series
  - RFBYC OM Watts Regatta
  - WA State Championships
8. If 2 or more sailors are tied on points, the one with the highest place in a State Championships is placed above the other person

### The purpose of having the ranking system is:

- To give sailors something to personally strive for;
- To give them a means by which they can judge their performance or improvement over the season(s);
- To particularly give incentive to those sailors outside of the top 10.
  
- To encourage kids to turn up for events held throughout the year;
- To get consistency from the kids and/or to reward those kids who are consistent (but not necessarily the best sailor).
